

37796 Insurance Claims

Information regarding claims for injury and vehicle damage from road maintenance issues in the area of Edinburgh.

The maintenance issues we are looking into are;

Overgrown plants that haven't been trimmed

Failure to maintain missing or damaged traffic signals and other traffic signs

Uncorrected potholes

Excessive oil or gravel due to resurfacing or road maintenance procedures

Faded paint markings, like the centre line or road edge markings

Would you please be able to send me the following information:

Can you share the number of *successful* claims by the public for vehicle damage or injury due to any of the following, overgrown plants that haven't been trimmed, failure to maintain missing or damaged traffic signals and other traffic signs, uncorrected potholes, excessive oil or gravel due to resurfacing or road maintenance procedures, faded paint markings, like the centre line or road edge markings, for the past financial year (April 2021 to April 2022)

[11 cases \(To Date\) – 'To Date' is included as the year still has many cases that are on-going and may not be closed for some time.](#)
