Could you please advise how much Portobello High School pays for each new iPad that is given to pupils?

The Empowered Learning project funded and provided all the new iPads and schools were asked to pay a small contribution.

Could you also advise what the repair process is when one of the iPad is damaged?

Currently, schools send iPads to a local company called Simply Fix It for repair. The cost of repair depends on the specific model of iPad and the nature/extent of the damage. Following a school assessment and, depending on the circumstances, parents may be asked to contribute towards the repair cost.
