

### 38900 Communal Bin Review - Feedback Comments

I would like to know the number of public feedback comments received during the Waste and Cleansing Department's recent "Communal Bin Review" (conducted June-July 2022; Project Delivery Manager - Erica Manfroi), specifically in relation to the proposed implementation of a "bin hub" in Summerside Street, EH6 4NU (location reference NS-26).

I would like to know:

The total number of comments received during the June-July 2022 engagement exercise regarding location NS-26.

16

The number of comments received during the June-July 2022 engagement exercise regarding location NS-26 categorised as supporting the proposal.

0 (None)

The number of comments received during the June-July 2022 engagement exercise regarding location NS-26 categorised as objecting to the proposal.
