Please could you provide the following information for the financial year 2019/20:

For clarity, I am interested in children's playgrounds located in public and semi-public spaces such as parks, open spaces, housing estates and adventure playgrounds. I am not interested in school playgrounds.

How many children's playgrounds did your authority manage?

163 U14 play areas managed by the Parks and Greenspace Service.

How much did your authority spend on children's playgrounds, including inspection, maintenance, repair and replacement?

£934,279.

How much did your authority spend on the creation of new children's playgrounds?

£0 all spend has been allocated to the refurbishment/maintenance of existing play areas.
