

38995

For the last 10 years tenancy of the property at Firrhill Crescent, records of any rodent or drainage issues.

The following information is extracted from records held by Housing relating to drainage.

09/05/2016 - Please inspect sinking slab at rear of property as seen a couple of weeks ago. Please speak with tenant as drain under decking.

30/03/2017 - inspect decking out the back - it has sunk 2 inches, needing checked, might be a vermin issue.

06/12/2022 - Jeter to carry out CCTV survey to drains at rear for possible openings in drains allowing access to Rats/Mice.

Pest Control information – last 10 years of CEC Pest Control service request for 17/1 Firrhill Crescent
