

39044 Princes Street Pedestrian Crossing

Accident locus: Pedestrian Crossing at approx. 80 Princes Street, Edinburgh

Accident date: 5 August 2022

We would be obliged if you would forward to us all documentation you hold showing:

Records of all inspections carried out for the 6 months prior to the accident.

Please refer to the 'Condition Survey' section of the attached Site History Report in relation to Princes Street for the period 05/02/2022 to 11/10/2022. Unfortunately, our database does not enable us to extract information in relation to specific parts of a street.

Third party personal information has been redacted from the documents provided in compliance with the Data Protection Act 2018. Further redactions have been applied where the information is not within scope of the request, i.e. where it is clear that it does not relate to Princes Street.

Records of all repairs and other works carried out at the locus for 6 months prior to the accident and for 3 months after the accident.

Please refer to the 'Maintenance Management' section of the attached Site History Report.

Records of any reports made to you in relation to the condition of the locus during the 6 months prior to this accident.

Please refer to the 'Customer Services' section of the attached Site History Report.

Any reports made to you in relation to this accident our Client or by any witnesses to this accident.

There are no such reports held.
