

51631 Council's Register of Declared Interests

I want to know of anything on the Council's Register of Declared Interests (or whatever the document is called) showing any hospitality or gifts received from Robertson Homes, or any other organisation involved in the construction of these buildings, by Council officials.

In the period 2022 to 2024, no hospitality or gifts have been offered to date.

Of the hospitality or gifts offered between February 2015 and November 2021, there was one offer accepted as follows:

On 14/06/2018, Urban Union, the developer delivering the new Pennywell Housing, invited the Housing Construction Project Manager to the Scottish Homes Awards Dinner, at Corn Exchange, Edinburgh. The invitation was accepted but the place at the table was paid for by the City of Edinburgh Council's Place Directorate. Therefore, no value is recorded against the invite.
