

51633 Council Use of Powers on Asset Deprivation for Care Aid Costs

I would like to know the following:

How many times has the council used powers to fine people who are found to have 'deliberately deprived' themselves to claim aid for care costs since the financial year 2017-18?

The City of Edinburgh Council does not fine anyone who has deliberately deprived themselves while claiming help with care costs.

How much, in cash terms has been paid in this way in the same timeframe (i.e. what was the combined value of the assets?

Not applicable.
