The percentage of play parks that received a rating of (a) excellent, (b) good, (c) satisfactory, and (d) poor in each year since 2012.

Unfortunately, we are unable to provide you with the information requested as it is not held by the Council.

We do not undertake an annual assessment in a format that grades play areas as excellent to poor. Our 2012 Play Area Action Plan notionally graded play areas as, excellent (101+ points), very good (71-100 points) and good (51-70 points) with all others being considered as fair. The plan is still being followed and details can be found on the Council's website - <https://www.edinburgh.gov.uk/downloads/file/22571/play-area-action-plan-2011-2016>.

Our refurbishment/maintenance programme aims to sustain/achieve the standards indicated within the Action Plan. Limited resources, individual circumstances, the age of equipment and ongoing damage can however cause a variance in the standard in any one year but this detail is not kept in a readily accessible and therefore reportable format.
