

54325 Scottish Huntington's Association - Integrated Impact Assessment (IIA)

Regarding an IIA meeting with Strategic Planning & Commissioning Officers in December 2024, I hereby request:

All final IIA documents relating to Scottish Huntington's Association.

Final versions of the documents are not held, as they remain in a draft form until they are published ahead of the IJB meeting.

The IIA documents will be published on the Edinburgh Health and Social Care Partnership website at:

<https://www.edinburghhsc.scot/the-ijb/integrated-impact-assessments/>

All documentation used to justify the proposal to end Edinburgh City Council/ HSCP/IJB funding to Scottish Huntington's Association.

All email exchanges involving Edinburgh City Council/ HSCP/IJB staff relating to the proposal to end funding to Scottish Huntington's Association.

All meeting minutes involving Edinburgh City Council/ HSCP/IJB staff relating to the proposal to end funding to Scottish Huntington's Association.

The documentation and documents we are able to provide in relation to the request are attached. Information provided under FOISA is published on our Disclosure Log, therefore is in the public realm. For this reason, third-party personal information, along with your personal information, has been redacted from the documents provided in compliance with the Data Protection Act 2018.

Where there are references to groups of individuals of five or fewer, the precise numbers are shown as '1-5' and the totals adjusted accordingly. If we were to provide precise numbers, this could lead to an individual being identified. As above, this would be a breach of the Data Protection Act 2018.

Further redactions have been applied where the information is not within scope of the request, i.e. where it is clear that it does not relate to the contract described in the request.

Where information is considered to be commercially sensitive, this is either withheld or redacted.
