How many public litter bins has your council provided for each of the years 2020, 2021, 2022, 2023 and 2024?

We currently have 2,789 Litter Bins (if Confirm is up to date)

How often have each of your public bins been emptied for each of the years, 2020, 2021, 2022, 2023 and 2024?

We do not hold this information. In addition to each area having a scheduled collection, there will be times when an ad-hoc collection will be required.

How many complaints have you received related to public litter bins for each of the years 2020, 2021, 2022, 2023 and 2024? And if possible, broken down by topic of complaint e.g. not enough bins, overflowing bins.

You clarified that you would like information both for complaints and service requests for each of the years 2020, 2021, 2022, 2023 and 2024.

Subject	2020	2021	2022	2023	2024
Bin Full	2,448	4,755	5,395	5,312	6,484
New Litter Bin Request	115	196	173	137	124
<b>Total Service Requests</b>	<b>2,563</b>	<b>4,951</b>	<b>5,568</b>	<b>5,449</b>	<b>6,608</b>

What was the cost to your council to provide, maintain, and empty public bins for each of the years 2020, 2021, 2022, 2023 and 2024?

This is part of the wider street cleaning budget and therefore, this information is not held.
