

54626 Council Tax and Pension Contributions - 2020/21 To 2024/25

Please can you tell me, during the 2024/25 tax year:

How much did you receive in Council Tax payments?

£324,699,960.57.

How much did you spend on employer contributions to the Local Government Pension Scheme?

While the accounts are still to be audited, the estimated total is £74.054m.

Please can you send me the same figures for the four preceding tax years, so 2020/21, 2021/22, 2022/23 and 2023/24.

The [audited annual accounts](#) are published on the Council's website. Employer contributions to the Local Government Pension Scheme are shown in the 'Defined Benefit Pension Schemes' note to the accounts (e.g. note 41.2 in the 2023/24 accounts).
