

54892 Secondary School Teacher Positions - Last 10 academic years

How many permanent (i) full time and (ii) part time secondary school teaching positions have been made available in in your local authority, in each of the last ten academic years, broken down by subject.

Please include the current academic session.

Also, if available, please provide information on how many posts have been filled.

Additionally, if you have the above information for the upcoming academic year, please provide these figures.

The attached file provides the number of secondary teacher vacancies the Council has advertised split by subject and totalled for each school session year.

Please note that we do not hold this information prior to January 2021 so the total provided for 20/21 is only the vacancies reported between January and July 2021. For 24/25, we only hold this information up to the end of May 2025.

We do not hold the FTE or hours of each vacancy so cannot show a split between full time and part time. We also do not hold the information on the number of positions filled.

Schools have been recruiting since January 2025 for posts due to start in August 2025, so these vacancies are included in the totals.
