

55327 High Acuity Dementia Services

Request for the following information regarding placements and spending for high acuity dementia services. Please provide answers on the attached accompanying Excel spreadsheet.

Who within the LA, has the commissioning responsibility for specialist nurse-led care home placements for older people (aged 65+)

Please provide their:

- a. Name
- b. Job title
- c. Telephone number
- d. Email address

Does the LA categorise dementia care placements using the Seven-Tiered Model of Service Delivery for Behavioural and Psychological Symptoms of Dementia (BPSD), where Tier 1 indicates no dementia and Tier 7 represents very severe BPSD requiring secure specialist inpatient care?

If not, what framework or criteria does the LA use to categorise differing levels of complexity in dementia care placements?

Please provide the total number of older people (aged 65+) with dementia, funded by the LA, receiving nursing care in a care home, for the financial year 2023/24, 2024/25 and 2025/26 (projected), broken down by the:

- A. Under £2,000 per week
- B. Over £2,000 per week

Please provide the total number of adults (aged 18-64) with a primary need of dementia (including early-onset dementia), funded by the LA, receiving long-term nursing care in a care home, for the financial year 2023/24, 2024/25 and 2025/26 (projected), broken down by the following weekly fee bands:

- A. Under £2,000 per week
- B. Over £2,000 per week

Please provide a list of all providers with which the LA is funding older people (aged 65+) with dementia receiving nursing care in care homes, where the cost of care exceeds £2,000 per week.

Please provide the list of providers as of 30th April 2025.

Please provide a list of the five providers with which the LA is funding the largest number of older people (aged 65+) with dementia receiving nursing care in care homes, where the cost of care exceeds £2,000 per week.

For each of the top five providers by volume of older people, please provide the number of older people funded during April 2025 and the corresponding expenditure by the Local Authority during the month of April 2025.

Please provide a list of all providers with which the LA is funding adults (aged 18–64) with a primary diagnosis of dementia (including early-onset dementia) receiving long-term nursing care in care homes, where the cost of care exceeds £2,000 per week.

Please provide the full list of providers as of 30 April 2025.

Please provide a list of the five providers with which the LA is funding the largest number of adults (aged 18–64) with a primary diagnosis of dementia (including early-onset dementia) receiving long-term nursing care in care homes, where the weekly cost of care exceeds £2,000.

For each of the top five providers by volume of services users, please provide the number of service users funded during April 2025 and the corresponding expenditure by the Local Authority during the month of April 2025.

During the financial year 2024/25, how many out-of-area placements did the LA make for older people (aged 65+) with dementia receiving nursing care in care homes, where the cost of care exceeded £2,000 per week?

[Please refer to the attached completed spreadsheet.](#)

[Where our response relates to five or fewer individuals, this is shown as '1-5'.](#)

[Given the small number individuals, we cannot provide the precise number as this could lead to an individual being identified. This would be a breach of the Data Protection Act 2018.](#)
