Subject: APP961844 - fly tipping on Hunter's Public Park near The Wisp

Good afternoon [REDACTED]

Thank you for your email concerning this. Officers visited Hunter's Public Park this morning locating the fly tipping near The Wisp. They searched the waste for evidence but unfortunately, on this occasion, they were unable to obtain any evidence and take further action. It is imperative that we find evidence linking the waste/dumped items with the offender/s, and/or witnessing the incident as it is taking place. Enforcement action could also be taken based on two independent witness statements on a specific occurrence. I will send a request for removal to our Street Cleansing department. I will continue to monitor that area, though, as we receive similar and other complaints around the same location. This case is now closed.
Kind regards

		Officers visited Hunter's Public Park this morning and located a big pile of discarded building waste and dumped items near The Wisp (quite close to the football pitch to the side of Jack Kane Sports Centre; please see pictures attached). They searched it for evidence but unfortunately they were unable to obtain any evidence and take further action. Could you please arrange its removal? Many thanks.				

Best regards
