

55428

How many National Entitlement Cards have been issued within your authority in each of the last five years (calendar, not financial - if data is held in such a manner)?

Information prior to 2022 is not available due the fact that we switched card management/production bureau suppliers in late 2021.

The figures include renewals and replacement cards

2022 – 114,902

2023 – 74,943

2024 – 74,056

01/01/25 to 21/05/25 – 30,369

How many NECs were issued, broken down by ethnicity, in each of the last five years?

How many NECs were issued, broken down by nationality, in each of the last five years?

We do not hold this information.
