If known - the current number of unfixed potholes in this area, or complaints/defect notifications not yet addressed by council.

We have no defects outstanding on any of the streets mentioned.

Repair Records: Details of pothole repairs, resurfacing work, and preventative maintenance carried out on these roads, including:

Location (road name and approximate position).

Date reported and date completed.

Cost of repairs.

Severity classification used, if any.

Please refer to the attached spreadsheets.

We are unable to provide the cost of the repairs as these are not separately recorded by the Council. We do not hold this data for specific streets. Revenue repairs are charged to a single cost centre and cannot be separated.
