Training and Development

- A list of all training courses or subjects offered to councillors in the past 3 years

Please see the attached spreadsheet. 55538 – Question 2

Personal Liability Cover / Indemnity

- Does the council provide indemnity insurance or any personal liability cover for councillors (e.g. for mismanagement, breach of duty, or negligence)?
- If yes:
 - Name of the insurer
 - Summary of cover scope and limits
 - Exclusions (e.g. fraud, wilful misconduct)
 - Annual cost to the council

The Council holds Officials Indemnity cover for Councillors with QBE as part of the wider public sector casualty cover held by the City of Edinburgh Council. We cannot comment on what may be covered, as it would be determined if a claim were received. The exclusions form part of the public sector policy wording. We cannot confirm the cost to the Council as this is commercially sensitive.

Employment / Allowance Terms

- Any standard contract, code of conduct, or policy document that governs councillor pay, allowances, or role expectations
- Any COSLA or internal guidance used by the council to determine payment conditions
- If applicable, provide the most recent versions of these documents

[Councillors' roles, conduct and pay](#) is set by Scottish Government.
