## Wheatfield Road Parking Tickets

Please can I receive all data for the last 12 months on:

All parking tickets issues on Wheatfield Road. I would like to see this broken down by reason. I am especially interested in tickets issued for reason 24 (Not parked within the markings of the parking bay or place) but would like to see all reasons so that I can understand this reason as a proportion.

[Please refer to the attached appendix.](#)

I would like this data broken down by issuing parking attendant.

[Please refer to the attached appendix.](#)

I would also like to know how many tickets on Wheatfield Road were successfully challenged.

[A total of 87 Penalty Charge Notices \(PCNs\) were successfully challenged, leading to cancellation. Please note that the Council may \(under certain circumstances\) cancel a PCN as a courtesy; as such, the cancellation of a PCN may not be an indication that it was incorrectly issued.](#)

If the data is available, I would like to know how many tickets successfully challenged on Wheatfield Road were following a parking ticket issued for reason 24.

[Seven PCNs issued on Wheatfield Road under contravention 24 were successfully challenged.](#)
