How many S1-S4 students, who are registered as attending a mainstream high school, actually access their education outside of the mainstream high school building.

How many kids are classed as attending the mainstream high school but who do not actually physically ever attend the school building for their education.

Unfortunately, we are unable to provide you with the information you have requested as the cost to the Council of locating, retrieving and providing you with the information exceeds the statutory maximum of £600.

This information is not available to be extracted through our central pupil system as there is no specific field to record this information. We would therefore have to collate this information from pupil records. There are 17,149 pupils currently in S1-S4.

At 5 minutes per record, this task would take 1429 hours to complete and there is no obligation to respond.
