

## 55655 Venison Served in Schools

Please can I request the following information:

Is venison served in meals for pupils in any schools (primary and secondary) in your local authority?

The City of Edinburgh Council does not currently have venison on its school menus.

How many primary and secondary schools are in your local authority?

90 Primary Schools

23 Secondary Schools

10 Special Schools

If yes to (Q1), how many primary and secondary schools is venison served in (could you provide that data broken up across the last five years)?

Not applicable.

How much venison, in kilograms, was included in school meals across the last five years (please could you provide that data broken up across the last five years)?

We have not included venison in our school menus.

Q5. How much venison, per meal, was included in school meals across the last five years (please could you provide that data broken up across the last five years)?
