

## 55730 Temporary Accommodation Spend

I request the following information please:

How much has the local authority spent on temporary accommodation in each of the last full three financial years (2022/23, 2023/24, 2024/25) and the months to date of the current year, including with a breakdown of providers in receipt of public funds.

The total cost of all forms of temporary accommodation is provided in the table below.

	2022/23	2023/24	2024/25
	£	£	£
Spend on Temporary Accommodation	48,001,631	53,016,573	53,073,861

We are unable to provide the 2025/26 data requested because it is not held by the Council.

This information is collated annually; therefore, we are unable to provide data for the months to date of the current year as it has yet to be calculated and verified.

Please refer to the table below for the providers currently contracted to provide temporary accommodation.
