Rodent Infestations and Pest Control Services

Please provide the total number of residential rodent infestations that your council dealt with or responded to (e.g., through direct pest control services, advice, or recorded incidents) for:

Year	Total Number of Residential Rodent Infestations
2023	1604
2024	1499
2025 (to date)	984

Please provide the total number of rodent infestations that your council dealt with or responded to within non-residential public buildings owned or directly managed by the council.

Year	Total Number of Non-Residential Rodent Infestations
2023	404
2024	326
2025 (to date)	197

Please state the total amount of money spent by the council on dealing with residential rodent infestations (e.g., direct service costs, contractor fees, staffing costs specifically allocated to this service) for:

Year	Expenditure on Residential Rodent Infestations
2023	£612,521.31
2024	£676,753.24
2025 (to date)	£277,828.27
