Please see attached all of the Temporary Traffic Regulation Notices (TTRNs) and Temporary Traffic Regulation Order (TTROs) for filming that include road closures from the end of October 2022. In each case, these include details of the date, the streets closed, the duration, and the filming that took place. I have attached a document which includes a list of the filmed productions (film/tv/commercials) (by year) which had road closures – '55924 Road Closures for Filming Oct 2022 to July 2025'.

Details of all payments received by the council for permission to film in the council area in each of the past five financial years and so far this financial year (April 1, 2025 onwards).

For each case, please provide details who how much was paid, the date and who the payment was made by (e.g. film company).

As there is no accounting code specifically for filming revenue on our Finance systems, it is not possible to comprehensively identify the detailed information requested.

However, I have provided links to committee papers published on our website which provide estimates of revenue from filming:
