How many parking tickets have been issued to people displaying disabled blue badges on Lady Lawson Street, Edinburgh in the past two years.

Of the Penalty Charge Notices issued on Lady Lawson Street in the past two years (from 01 July 2025) Parking Attendants have noted that a Blue Badge was on display on 14 occasions.

Please Note that attendants are not required to record the presence of a Blue Badge when issuing a Penalty Charge Notice unless it is considered relevant to the contravention, meaning that attendants may not always record the presence of a badge in instances where a badge is not valid for use where a vehicle is parked (e.g. in a permit parking place or on double yellow lines with double kerb marks).

Edinburgh Blue badge holders are provided with a booklet explaining the conditions of use when their badge is issued; this information is also available on our website: <https://www.edinburgh.gov.uk/bluebadge>.
