

55975 North Bridge, Edinburgh

This is in relation to contractors who were undertaking work at that time, 5th October 2024, on the west side footway of the North Bridge. This should include all contractors who were instructed at that time, including any sub-contractor the council is aware of.

Can you please provide the details of, and documents relating to, contractors undertaking works on this footpath, including contractors already instructed and undertaking such works.

The City of Edinburgh Council did not instruct works at this specific location. The excavation, made in error, was sub-contracted to Cuchulain Limited from Luddon Construction Limited.

The attached correspondence provides further detail.

Third party personal information has been redacted from the document provided in compliance with the Data Protection Act 2018.
