The number of council administered public toilets in your area in June 2025.

In June 2025, we have 22 toilets open.

Whether any council administered public toilets in your area charge for admission.

If you run a Community Toilet Scheme, how many businesses have signed up to this.

Any policy regarding public use of toilets in council-owned and run buildings, such as libraries or sports centres.

We do not have a specific 'policy'. We have toilets in galleries, museums, offices, theatres, which the public can use.
