

## 56017 Energy Management

A list of all schools under your local authority's remit, including:

- The name of each school
- The energy procurement framework or provider currently in use (e.g. LASER, YPO, CCS, etc.)
- The end date of the current energy contract or framework for each school.

The names of each of our school establishments are published on our website at:

<https://www.edinburgh.gov.uk/schools>

Our energy procurement framework - Scottish Procurement Framework

Our current contract for electricity for each school is due to end in March 2030.

Our current contract for gas for each school is due to end in March 2031.

The name and contact information for the individual(s) or department responsible for overseeing energy procurement across these schools.

The Energy and Sustainability Team, Place Directorate - [Energy@edinburgh.gov.uk](mailto:Energy@edinburgh.gov.uk).
