Please supply me with a current list, (or as near to 1st of January 2025) of all Alcohol Licensed premises in Edinburgh, both On Trade and off trade, to include the licence Holder's, or Premises managers name.

Attached is a list of Alcohol Licensed Premises in Edinburgh as at 28 July 2025, which includes the Licence Holders name and whether on sales, off sales or both.

Please note that the Designated Premises Manager's data is not available at this time as it is not currently recorded on the register.
