

56044 WAN, LAN and Wi-Fi Contracts

I am writing to request information regarding the contracts held by the Council for the provision of the following network services:

1. Wide Area Network (WAN)
2. Local Area Network (LAN)
3. Wi-Fi and Wireless Networks
4. Internet Connectivity for each of the above services

I would be grateful if you could provide the following information:

- Supplier: The name of the company or organisation currently providing the service.
- Service Details: A brief description of the services currently being provided under the contract (e.g., number of sites, bandwidth, technology used, number of access points, etc.).

Please provide as much detail as possible without disclosing commercially sensitive information.

- Contract Cost: The total cost of the current contract (annual or contract term, whichever is readily available). If this information is commercially sensitive and exempt from disclosure, please explain the legal basis for the exemption.
- Contract End Date: The date on which the current contract expires with any details of any remaining extension options
- Who the senior officer or manager is for the service outside of procurement

If the information is held in multiple contracts, please provide the details for each relevant contract. I would prefer to receive the information electronically, if possible.

Wide Area Network (WAN), Local Area Network (LAN), Wi-Fi and Wireless Networks and Internet Connectivity for each of these services is provided by CGI as part of our outsourced ICT contract.

Details of each of these services are withheld under Section 30(c) - Prejudice to effective conduct of public affairs – Cyber-security.

- The annual ICT Contract cost is circa £26m.
- The CGI outsourced ICT contract started on 01/04/2016, is currently due to expire on 31/03/2029, but can be further extended to 31/03/2035.
- The senior manager with responsibility for this contract is Jackie Galloway - Senior Manager (Commercial) - E-mail Jackie.Galloway@edinburgh.gov.uk
