

56191 - Households placed into Hotel Accommodation since January 2021

Q1 Please provide, broken down by month between January 2021 and the latest available month: The number of households that have been placed in hotel accommodation, including type of accommodation (hotel/shared accommodation/B&B) and the cost.

Please note this data is for households as requested and not placements. Some households may have had more than 1 placement into each type of accommodation during the reporting month
