

Murrayfield Stadium Premises Licence Conditions – Ref 544076

The mandatory conditions set out in [schedule 3 to the Licensing \(Scotland\) Act 2005](#) will apply.

The following local conditions will also apply:-

1. The Licence authorises events detailed in the Operating Plan. The Layout Plan identifies the permanent structures in function and hospitality suites and proposed suites with temporary bar structures. The number of location of temporary bar structures will be dependent on the event held within the Premises and limited by the need for public safety considerations. An operational plan will be submitted to the City of Council and Police Scotland.
2. Scottish Rugby Union Ltd will provide The City of Edinburgh Council, through the Public Safety section of Place and Police Scotland, with their Public Events diary on a quarterly basis (in advance). Certain events due to the capacity or nature of the event, crowd profile or the provision of temporary structures will attract the need for an EPOG meeting. The City of Edinburgh Council, in consultation with Scottish Rugby and Police Scotland, will call a Multi-Agency Event Planning and Operations Group, or Licensing Sub-Group Meeting for such events.
3. An appropriate number of Personal Licence holders are to be present under the direction of the Designated Premises Manager. The final numbers, location and personnel have to be agreed through the City of Edinburgh's Events Planning and Operations Process chaired by Public Safety.
4. External use of fireworks is not permitted without firstly consulting with and obtaining written agreement from Environmental Health Department of City of Edinburgh Council.
5. Lasers or other similar devices shall not be used without first consulting with and obtaining written agreement from the Environmental Health Department of the City of Edinburgh Council.
6. The number of alcoholic drinks served per person per serving shall be no more than four in the public bars on match days only. (Edinburgh Rugby/Scotland games/International games).
7. Appropriate numbers of suitably qualified Stewards are to be present at the public bar locations. The final numbers and locations of the above personnel are to be agreed through the continuing EPOG process and will be detailed in a Schedule attached to the Special Safety Certificate for these events within the Stadium.

Temporary Public Entertainment Licence – Pitch 2, Murrayfield Stadium – Ref: 549621

Standard Conditions

1. The Licensee or Manager shall be responsible for the day-to-day running of the premises. There shall be sufficient staff on duty when the premises are open to the public.
2. The Licensee or Manager shall give clear instructions to staff on their duties in the event of fire. A legible statement of such duties shall be posted in conspicuous positions within the premises. The Licensee shall comply with any requirements of the Firemaster.
3. The number of people admitted to the premises shall be strictly controlled to ensure that there is no overcrowding.
4. The premises must be structurally sound and safe. Any scaffolding for staging, props or seating shall be adequately designed and constructed for the load to which it is to be subjected. The means of suspension for scenery, lighting grids and similar items shall be to the satisfaction of the Council.
5. The general layout of the premises shall be to the Council's satisfaction. In the case of funfairs all structures and equipment must be examined and approved by the Council before being used by the public.
6. All approaches, staircases and passageways shall be kept free from obstruction. No seat or other obstruction shall be placed in any of the passageways and no-one shall be allowed to stand or sit in any passageway during performances.
7. All doors and barriers shall open outwards and shall not be fastened or locked except by emergency bolts when the premises are open.
8. All exit doors in the premises shall be indicated by a fixed lighting transparency bearing the word "EXIT" in letters not less than 10 centimetres high. All exit doors shall be opened immediately before the end of each performance. The transparency shall be illuminated by a maintained system of lighting and must be visible from the auditorium at all times when the premises are open to the public.
9. Any decorative surface finishing shall be either non-combustible or durably flame-proofed.
10. All scenery, curtains, drapes and fabrics in the premises shall be flame-resistant.
11. The use of smoke bombs, smoke generators, flash powder, flash boxes, detonators and similar items is not permitted without the written approval of the Firemaster and the Council.
12. All upholstered furniture shall comply with the Smouldering Cigarette Test and Butane Flame Test in British Standard 2852, Part I, 1979.
13. The Licensee or the Manager shall intimate every outbreak of fire to the Firemaster immediately.
14. Lasers or other similar devices shall not be used without the Council's written permission.

15. The premises shall be lit to the satisfaction of the Council. A maintained system of secondary lighting shall be provided throughout the building, kept in proper working order and kept on when the premises are open to the public.
16. The electrical installation to the premises shall be kept in proper working order to the satisfaction of the Council. No alterations or additions to the electrical installation shall be made without the Council's written approval.
17. No temporary electric lighting installation shall be used in any part of the premises without the Council's written consent. All temporary connections to the permanent installation in the premises shall be disconnected immediately after each performance.
18. All gas taps in the premises shall be out of reach of members of the public and all electrical lighting switches to public areas shall be inaccessible to the public.
19. The premises shall be properly ventilated and heated to the satisfaction of the Council. Temporary or moveable forms of heating shall not be used without the Firemaster's written approval.
20. Sanitary accommodation shall be provided to the satisfaction of the Council.
21. The Food Hygiene Regulations and The Health and Safety at Work Act, 1974, shall be complied with.
22. There shall be prior consultation with the relevant Executive Directors regarding open air events involving musical performances or the use of a public address system. The Council shall have prior notification of the name(s) of a person or persons who will be available during all performances and responsible for ensuring any music or public address system is controlled so as not to cause a nuisance to the satisfaction of the relevant Executive Director or his appointees.
23. A telephone shall be installed in the premises.
24. The Licensee shall display the Public Entertainment Licence and Conditions in a prominent position.
25. No alterations shall be made to the structure, seating arrangements or exits without the Council's written consent.
26. The Firemaster, any Police Constable and any authorised Council Official shall be permitted free access to the premises at any time.
27. No exhibition, demonstration or performance of hypnotism shall take place except with the Council's written consent.
28. The Council or the Firemaster shall have the power to set a limit on the maximum number of people to be admitted to the premises for any performance.
29. The opening hours shall not deviate from any imposed by the Council's Planning and Development Committee.
30. All equipment/apparatus in premises with sauna, massage or bathing facilities shall be maintained in a clean condition.

31. The Licensee shall not permit the giving of any live animal as a prize at any stall or side show at a fair ground.
32. One or more earth leakage circuit-breakers must be installed if live amplified music is to be performed on the premises. The installation should comply with the current Institute of Electrical Engineers — Regulations for Electrical Installations.
33. Adequate arrangements must be made for the welfare of animals appearing in performances to the satisfaction of the relevant Executive Director.
34. The licence shall not be effective until the licensee has received final clearances from the Firemaster and the relevant Executive Director confirming that the premises may be operated.

Additional Conditions

1. The Maximum Number of People to be admitted to the Premises at any one time will be:-
1000;
2. The Premises will be used for pre-concert hospitality including pre-concert music and for no other purpose without the written permission of the Council.
3. All amplified music and vocals to be controlled to the satisfaction of the Directorate of Place.
4. The licence holder does not unreasonably obstruct road or footway users, affect their safety or obstruct access to public seating or waste bins.
5. The licence holder is reminded that any type of advertisement board including an A-board is not permitted to be placed on a public footway.
6. The public entertainment licence is to be kept on the premises and made available for inspection when requested by a Licensing Standards Officer, Police Officer or other Authorised Officer, and any reasonable request by them is complied with.
7. The licensed area is suitably delineated and secured to prevent unauthorised access.
8. Glasses and glass bottles are not permitted in the licensed area. Drinks to be provided in plastic bottles with tops removed or decanted into paper or plastic containers. Cans, 'opened at 'point of sale' can be provided. Organiser should have in place plans to decant the cans into paper or plastic containers should incidents within the event arena dictate this is necessary.
9. Appropriate steps must be taken to ensure that the number of patrons within the licensed area does not exceed the capacity of the premises, as agreed prior to the event.
10. Appropriate stewarding will be in place to provide adequate control of the premises and is to be in accordance with the Stewarding Plan submitted to the EPOG for the event. Those persons engaged in such duties are registered as door stewards with the Security

Industry Authority. The said Stewarding Plan will be adhered to for the duration of the event.

11. Stewards will be allocated to each of the bars and other concessions, 15 minutes before the terminal hour, to assist with the closure of same.
12. Signage must be displayed at the entrance to each designated area listing the conditions of entry.
13. All persons shall be subject to a 'Challenge 25' assessment and where any doubt exists they will be required to show proof that they are 18 years of age or over.
14. The licence holder shall ensure appropriate signs should be displayed at entry doors, bars and toilets stating zero tolerance to drunkenness and drug misuse.
15. The licence holder shall ensure adequate provision to be made to provide care for any persons refused entry to the event or ejected due to over-intoxication due to alcohol or being under the influence of other substances.
16. The licence holder shall ensure there are suitably covered welfare areas at the point of entry and within the licensed area to deal with individuals requiring support for alcohol and/or drug consumption. These areas should be staffed with trained individuals.
17. The licence holder shall ensure there is sufficient and appropriate medical provision on site.
18. There is a written policy in respect of the management of dispersal.
19. All staff employed to view the Run, Hide, Tell advice and view the Run, Hide, Tell, information film which can be viewed through the following link, [RUN HIDE TELL | Protect UK](#) and a record of this training being kept at the location and available for inspection by Police or Licensing Standard Officers.
20. The licence holder shall ensure there are sufficient 'alcohol awareness' trained stewards at the point of entry and within the licensed area to minimise the risk of intoxicated patrons accessing the event and to identify those within.
21. Any person found in possession of what is suspected to be a controlled substance is refused entry to the event, or ejected, and their ticket cancelled.
22. All reasonable requests made by the police or other authorised officials to be complied with.
23. The Temporary Public Entertainment Licence is only to be used on the dates of the advertised concerts - Friday 8th August 2025, Saturday 9th August 2025, Tuesday 12th August 2025 and Thursday 21st August 2025.

Temporary Market Operators Licence Conditions – Pitch 2, Murrayfield Stadium – Ref: 549701

STANDARD CONDITIONS – MARKET OPERATORS

1. Market operators will supply an Events Management Plan and Risk Assessment when they make an application, this will be available for inspection at any time when the market is in operation by any Authorised Officer of the City of Edinburgh, Fire Officer or, Police Constable.
2. Licence Holders shall have Market Operator Public Liability insurance with a minimum value of £5 million for any one claim.
3. Market operators will not sub-let the use of the site to a third party.
4. Any Authorised Officer of the City of Edinburgh, Fire Officer or, Police Constable shall be permitted free access to the whole of the market premises/area at any time and all reasonable directions and requirements of such officers or of the City of Edinburgh Council must be complied with. The licence holder shall obtain all necessary and appropriate consents prior to commencing trading from any stance and in particular the consent of the owners of any land on which such a stance is to be situated or which is adjacent to any such stance.
5. It is the licence holder's responsibility to inform the Council and other road users that a Market will be in place between specific dates. The License holder must give the Council a minimum of seven days notice, prior to the Market being erected, to allow notification to other road users.
6. The licence holder shall ensure that the layout of the market and its stalls conforms to the configurations shown in the plan lodged with the application and approved for licence. The licence holder shall not, without the consent of the Licensing Authority, alter or amend the site or the premises or the layout of the site or of the premises. Nor shall the licence holder increase the number of stalls within the site from that specified on the licence.
7. Exit routes must be kept free of obstruction at all times whilst the market is open.
8. Wires, ropes or cables crossing any of the public areas must be out with the reach of the public, or installed to avoid any hazard to the public.
9. No motorised vehicles shall be permitted in the area used for the market during the hours of operation.
10. The licence holder shall not permit trading out with the trading hours specified in the licence
11. The licence holder must maintain an accurate register with individually numbered pages and entries showing:-
 - (i) The date of each occasion upon which the market is open for business to the public
 - (ii) The name, permanent address, telephone number and place of business address of each trader, the nature of the goods sold and the registration marks of all vehicles used in connection with each trader.
 - (iii) The Register must also identify, on each occasion the market is open for business, the location within the market where each trader has a trading position.
12. The licence holder shall take all reasonable steps to ensure that all details of trading unit operators which require to be registered are completed no later than four hours from the time of the market opening.

13. The licence holder shall ensure that the register and such other documents as are maintained shall be available for inspection on the licensed premises by any Police Constable, Fire Officer or Authorised Officer of the Council at any time when the market is open for business and at any other reasonable time.
14. The licence holder shall ensure that registers and such other documents as are maintained must be retained by the licence holder for a minimum of two years.
15. The operator will provide details of all individual stallholders, including equipment, scope of business and type of product to the Licensing Manager, at least one week before the event.
16. The licence holder shall nominate in writing to the Council a suitable person who shall be responsible for the day-to-day running of the market and shall be in charge of and present at the market at all times when the market is open for business, with the exception of reasonable absences. The licence holder shall not, without the consent of the Licensing Authority, change the nominated person responsible for the day-to-day running of the market.
17. The licence holder shall comply with all reasonable requirements of the Scottish Fire and Rescue Service relating to fire precautions and safety.
18. The licence holder shall have a fire risk assessment and written evacuation policy for the site.
19. Adequate means of escape and firefighting facilities must be maintained during all hours of operation.
20. The number of persons admitted to the premises shall be controlled to ensure there is no overcrowding or numbers in excess of the evacuation capacity of the escape routes.
21. The premises shall be adequately illuminated to the satisfaction of the Council. Any emergency or escape route lighting shall be by a Maintained System throughout the premises, kept in proper working order and in operation when the premises are open to the public.
22. A person, who is suitably qualified and equipped shall be nominated as a First Aider, and they will be in attendance in the market during trading hours and also while stalls are being erected and dismantled.
23. The licence holder or his/her agents shall take all reasonable precautions and exercise due diligence to ensure that no trader known or reasonably believed to be displaying for sale solely or mainly counterfeit merchandise (including contraband products) is permitted to trade upon the market. The licence holder or his/her agent shall also exercise due diligence in ensuring to the best of their ability that no such merchandise is displayed for sale as part of any trader's overall stock of goods.
24. The Health and Safety at Work etc Act 1974 and all other relevant health and safety legislation must be complied with at all times by the licence holder.
25. When any stall is trading in food, all requirements of the Food Safety legislation must be complied with, to the satisfaction of the appropriate Executive Director.
26. The licence holder shall ensure that the food hygiene certificate and relevant documentation are valid, maintained and available for inspection by any authorised officer of the Council at any time during trading hours and at any other reasonable time. Relevant documentation includes:
 - Food Hygiene Training certificates for all that will be working on the stall.
 - PAT certificates (electrical safety certificates) for electrically operated equipment;

- Gas Safety certificates for any LPG operated equipment. This must be issued by a Gas Safe registered engineer, who is registered to do LPG, Non-Domestic, and Mobile Catering; and
 - A copy of the Pressure Vessel Test for any espresso type coffee machine being used.
27. Adequate litter bins shall be provided by the licence holder for use by the public and shall be distributed throughout the market site. All dropped or windblown litter must be collected after close of trading and removed with the other commercial waste.
 28. The licence holder shall ensure that adequate and suitable provision is made for the storage and removal of refuse and other waste from the premises; that a suitable litter bin of adequate capacity is provided outside the premises during all hours of opening.
 29. The licence holder shall ensure that all music, amplified music and/or vocals are controlled to the satisfaction of the appropriate Executive Director.
 30. The licence holder shall provide suitable and sufficient public sanitary accommodation on the site or in the premises for traders, their employees and the public, all to the satisfaction of the Licensing Authority.
 31. All generators must be used and stored in accordance with manufactures guidance.
 32. Wherever possible, all electrical and fuel controls must be made inaccessible to members of the public; failing which, there must be suitable protection in place: all electrical installations must be certified as complying with current I.E.E. Regulations.
 33. All temporary structures shall be designed, erected and maintained to suit their intended purpose. The design should meet with the approval of the Council's appropriate Executive Director's.
 34. The licence shall not be effective until the licence holder has received final clearances from the Council's appropriate Executive Director's confirming that the premises may be operated.
 35. The licence holder shall ensure that publicity material advertising events occurring on the premises is not distributed in such a manner as to produce litter.
 36. The licence holder is responsible for the clearing of the area of all stalls and associated goods, debris, tools and any traffic management placed by them including all refuse as a result of the market, prior to vacating the site.

NOTE: Additional conditions may be attached at the discretion of the licensing authority.

Additional Conditions

ADDITIONAL CONDITIONS

1. The opening hours of the premises will be: 16:00 - 20:00
2. All amplified music and vocals to be controlled to the satisfaction of the Directorate of Place.
3. The licence holder ensures that market traders handling open foods comply with the 'Minimum Standard for Mobile Food Businesses'.
4. Environmental Health may carry out unannounced visits in respect of health and safety, and food hygiene to ensure traders are compliant with relevant legislation. It will be the

responsibility of the licence holder to ensure market traders are compliant with relevant legislation.

5. The licence holder does not unreasonably obstruct road or footway users, affect their safety or obstruct access to public seating or waste bins.
6. The licence holder is reminded that any type of advertisement board including an A-board is not permitted to be placed on a public footway.
7. The licence holder or another suitably trained person with managerial responsibility is present throughout the event. A contact phone number will be readily available at all times.
8. Appropriate stewarding to be provided to supervise admission, monitor occupant capacity and ensuring control of all patrons on the premises. All those persons engaged in such duties to be registered as door stewards with the Security Industry Authority, and authorisation must be clearly displayed.
9. All staff employed to view the Run, Hide, Tell advice and view the Run, Hide, Tell, information film which can be viewed through the following link, [RUN HIDE TELL | Protect UK](#) and a record of this training being kept at the location and available for inspection by Police or Licensing Standard Officers.
10. The licence holder shall not permit trading out with the trading hours specified in the Licence.
11. All traders must clearly display hours of trading and closing time.
12. An application for Occasional Licence to facilitate the sale of alcohol will be submitted, and these units will be clearly delineated on the site plan.
13. An application for Temporary Public Entertainment licence to facilitate the entertainment provided in the external area for the duration of event.
14. All traders must clearly display hours of trading and closing time.
15. All reasonable requests made by the police or other authorised officials to be complied with.
16. P1. The Temporary Public Entertainment Licence is only to be used on the dates of the advertised concerts - Friday 8th August 2025, Saturday 9th August 2025, Tuesday 12th August 2025 and Thursday 21st August 2025.
