Please provide:

Details of all complaints received about Edinburgh Social Bite Village either in its original site or its new site in Granton.

No complaints received or held on file.

The details of any actions or responses taken to the complaints.

Not applicable.

The reasons why the Council asked for the Village to be moved.

The Social Bite Village has always been temporary, whilst this site awaited future housing development. Planning approval for new homes on the current site where the Social Bite Village is located was granted in November 2024 as part of the Council's Granton Waterfront Phase 1. Enabling works are due to commence on this site early next year to allow for this site to be developed and therefore the Social Bite Village is re-locating to a site further West at Gypsy Brae, again on a temporary basis.

The Report of Handling for Planning Permission 24/05980/FUL for the new site is publicly available to view on the Planning and Building Standards online portal at:

No public comments were received in relation to that application (Land 150 Metres West Of 40A West Shore Road). Our records do not show any active Planning Enforcement cases for that site.

The previous site (Land 120 Metres South Of 20 West Shore Road) was dealt under Planning Application 17/02839/FUL. Records for this site show that there was one Enforcement case, 17/00496/EOPDEV and the Closing Report is publicly available to view at:
