Can you please provide me with figures for direct film spend (the amount of money brought in through filming) in the City of Edinburgh Council area for 2022, 2023 and 2024?

We do not hold data about the breakdown of spend. The direct spend figure is derived mostly from the BFI/Creative England's Average Local Production Spend Rate Card plus, in only a few cases, data provided by productions.

For each year's total, can you also break down the fees included - i.e. location fees, local crew hire, accommodation, catering, and extended services?
