Request for the following information regarding care packages provided by carers between 01 March 2023 and 31 October 2023:

A copy of the procedures and criteria used to assess and allocate care packages during this period.

Please see attached copy of the [“Paying_for_a_Care_Home_Booklet_2023_2024”](#).

A copy of the criteria used to determine whether a client was required to contribute financially towards their care package within the above time frame.

Please see attached copy of the [“Criteria for working out weekly contribution”](#).

A copy of the costs associated with receiving care packages involving carers attending twice a day for 20 minutes per visit, three times daily, and four times daily.

We can only advise if the client would be charged at full cost at the time.

Hourly charge in 2023/24 financial year was £19.74 per hour

For twice daily per week = 4.666 hours per week x £19.74 = £92.12 per week

For 3 times daily per week = 7 hours per week x £19.74 = £138.18 per week

For four times daily per week = 9.333 hours per week x £19.74 = £184.24 per week
