#### Supply Teachers

The spend on supply teachers.

Please see the responses for previous requests for information which are available on the [Disclosure log](#) under reference 55729.

The spend for supply teachers in 25/26 to date (April 2025 to June 2025) is £398,343.

#### Equality, Diversity and Inclusion (EDI) Staff and Training

The spend on dedicated EDI-related roles within education services.

The spend on EDI training for education staff.

Any payments made to external consultants or organisations for EDI purposes (e.g. Stonewall, LGBT Youth Scotland).

The Council would have to gather the relevant data held both centrally and at school level, then collate this information. There is also no requirement to record this level of detail meaning it is likely to be inconsistently stored across the schools. To provide this information would exceed the statutory maximum of £600.

#### School Vandalism

The total cost of repairs due to vandalism in all schools within your local authority area for years 2024-25 and 2025-26.

Unfortunately, we are unable to provide you with the information requested because it is not held by the Council.

#### Free Laptops and Bikes for Pupils (as pledged by the Scottish Government)

The cost of providing free laptops or digital devices to pupils.

The cost of providing free bikes to pupils.

If available, please indicate how many laptops and bikes were distributed in each year.

Unfortunately, we are unable to provide you with the information requested because it is not held by the Council.

#### Overseas Pupil Trips

The cost incurred by the local authority or local authority schools on pupil trips abroad.

This information would be held by each individual school. To provide this information would exceed the statutory maximum of £600.

#### School Violence and Security

The cost of employing "campus police officers" or equivalent roles in schools.

Any other spending related to school-based violence prevention or behaviour management programmes.

Please see the responses for previous requests for information which are available on the [Disclosure log](#) under reference 53039.

#### External Consultants in Education

Spending by education services on external consultants or advisory services.

Please include the project name or purpose, if available.

This information would be held by the individual schools. To provide this information would exceed the statutory maximum of £600.
