

## 56415 Short-Term Let Licences

I would like to ask the following:

In each year since 2022/23, including the current year to date, how many applications for Short-Term Let licences have been accepted?

In each year since 2022/23, including the current year to date, how many applications for Short-Term Let licences have been rejected?

In each year since 2022/23, including the current year to date, what was the average waiting time for a licence to be accepted?

In each year since 2022/23, including the current year to date, what was the longest waiting time for a licence to be accepted?

The above information can be found in the Public Register published on our website at:
