

56516

The total number of people who presented as homeless within your council area since 2015. Please break this information down by month and year.

[Please refer to the information attached.](#)

Of those in question one, how many had previously presented as homeless in a different council area. Please break this information down by month and year, and the council area(s) they previously presented as homeless in.

[This information is not routinely recorded as part of a homeless application and is not available.](#)

Of those in question one, how gave their last known address within your council area, and how many were listed as having lived in a different council area? Please break this information down by month and year, and the council area(s) they previously lived in.

[This information is not recorded in a format that it could be extracted.](#)

Of those in questions above, what were the demographics of the individuals. Please break this down by date range, month, and year, and council areas, as above. Specifically:

- How many were women?
- How many were children, and how many of those were with a lone parent?

[Please refer to the information attached.](#)

- How many identified as LGBTQ+?

[This is not information that is routinely recorded as part of a homeless application and is not held.](#)
