Please advise the conditions of the regular road closure you permitted for the current construction works.

This information is not held. There is no current regular road closure permitted in North St Andrew Lane.

Please advise what measures have been put in place to allow access to North Clyde Street Lane.

No special measures are in place because there is no permission for closure. Developers here have been advised that the lane cannot be closed due to access needing to be retained to Clyde Street Lane.

Please advise if you have given permission for workers to direct cars onto North St Andrews street, via St Andrews square.

No permissions have been given for workers of any site to go against the regulations that are in place for traffic and tram.
