Location: On the roundabout. The potholes and surfaces of this roundabout has not been repaired in any way shape or form since i last reported it nearly 2 years ago. **Contact:**

The roundabout at the other side of fort kinnaird retail park was resurfaced, down as far as Niddrie. I dont understand why that side was done and this side was ignored. It needs done urgently!

Location: Potholes forming and worsening fast on the roundabout at fort Kinnaird shopping centre. This is already a very busy junction however people are now starting to swerve to avoid the pot holes causing a danger to others.
The whole roundabout could do with being resurfaced to be honest as you can see it wearing away at multiple sections. Maybe this is something that could be looked into being down during the night to cause less disruption to traffic flow? Thanks **Contact:**
