Key Points Discussed and Summary of Action to be Taken
Key: A = Legal Requirement B = Recommendation
Action Time
Key Scale
A 1 You need to have your food safety Management system on site for review.
A 1 Pre-packed items for direct sale must now include a full allergen/ingredient list.
A 1 Remove old mice droppings from under the front counter/sanitiser and monitor for any fresh activity.
A 1 Allergen information must be readily available for each of the items on your menu. I would recommend you complete an allergen matrix sheet - which I will forward to you.
A 11 Your cooking oil contains genetically modified soya - this information must be displayed
