Damp and mould complaints

The number of complaints received by the council relating to damp and/or mould in residential properties within your area, including those passed to housing associations or ALMOs for resolution.

We are unable to provide the information requested for 2022 and 2023 as it is not held by the Council. Damp/mould improvement actions were noted, but no case counts were recorded in this period.

2024 - 2048

*Please note this data is complaints that have resulted in surveys for dampness rather than stage 1 and stage 2 complaint responses.

Community Protection Notices (CPNs)

The total number of CPNs issued by the council.

If available, please provide a breakdown by the type of behaviour or issue the notice was related to (e.g., noise, graffiti, fly tipping, waste, nuisance).

Nil. Community Protection Orders come from the Antisocial Behaviour, Crime and Policing Act 2014. Some parts of that Act are relevant for the whole of the UK, however, CPO's are not. We do not use these in Scotland.
