

566789

For each calendar year 2022, 2023, 2024, and 2025 (to date):

The number of complaints received about an individual aesthetics practitioner or an aesthetics business.

The number of inspections of an individual aesthetics practitioner or aesthetics business carried out following a complaint.

The number of individuals and/or businesses in this sector closed (either temporarily or permanently) or banned from carrying out specific cosmetic procedures by Environmental Health Officers.

The Council only holds information for 2024 and 2025 and this is provided below.

In 2024, the Council received five complaints. Four visits were made to the premises complained about to check on the safety of procedures. Four Prohibition Notices were issued as a result at two of those locations.

In 2025, the Council received three complaints. One visit was carried out to the premises complained about to check on the safety of procedures. No Prohibition Notice has been issued as a result.
