How much revenue has been collected by Edinburgh city council from bus lane charges in the last year?

This information is available on [our website](#).

How have these revenues been spent / allocated (breakdown of figures)?

Whilst the income generated from Bus Lane Charge Notices is utilised in the provision of services, including Parking enforcement, public Transport and the wider transport remit, we do not hold a detailed breakdown of how much is spent on each.

What percentage of charges have remained unpaid in the last year?

From August 2024 to July 2025, 28.02% of Bus Lane Charge Notices remain unpaid. Please note that charges may be unpaid for a number of reasons, including (but not limited to) ongoing challenges, appeals, complaints and investigations by the Council.

Q4. What percentage of charges have been written off in the last five years?

From August 2020 to July 2025, 2.16% of Bus Lane Charge Notices were written off.
