

56754

Please provide the most recent available data for the number of the following traffic control measures within your council's jurisdiction, broken down by town or parish if possible:

- Traffic light-controlled junctions and pedestrian crossings
- Speed bumps (or similar traffic calming humps/tables)
- 20mph speed limit zones or areas
- Pelican crossings
- Zebra crossings
- Any other permanent traffic control measures you record

For each measure, please provide:

- The total count
- The town/parish in which it is located (if recorded)

[We do not hold the location of the control measures.](#)

[We do not hold information for speed bumps and cushions](#)

- Total number of traffic signals within the Edinburgh boundary = 658.
  1. Junctions = 278
  2. Pelican crossings = 73
  3. Puffin crossings = 230
  4. Toucan Crossings = 74
  5. Wig Wags (fire stations) = 2

20mph was initially introduced as '20mph Zones' which the council introduced but as legislation changed, 20mph Speed Limits were allowed which the council adopted in the 20mph roll-out on various roads across the council area.

Further information about the 20mph scheme is available on our website: [20mph for Edinburgh – The City of Edinburgh Council](#)
