

56769 HMO and Ward Data

I am requesting data regarding Houses in Multiple Occupation (HMOs) and residential dwelling stock within your council's administrative area.

Please provide the following information, correct as of the date you process this request. I would be grateful if you could state the date for which the data is provided in your response.

The total number of HMOs within the council's boundary.

This information is published on the HMO Register available on our website at:

<https://www.edinburgh.gov.uk/downloads/download/13239/licensing-registers-civic>

Select 'HMO'.

The total number of residential dwellings within the council's boundary.

The total number of residential dwellings is currently 269,171.

A list of all Wards within the council's boundary, with a corresponding count of the number of HMOs located within each Ward.

This information is also published on the above-referenced HMO Register.

A list of all Wards within the council's boundary, with a corresponding count of the total number of residential dwellings within each Ward.

We do not hold the number split by Ward.

However, please refer to the attached spreadsheet which provides the number of residential properties in each Council Tax band, separated into postcode areas.
