

56811 Parking Charges Since 2022/23

Please provide me with a list (or access to information showing) all new car parking charges introduced by the council in the following financial years 2022-23, 2023-24, 2024-25.

The Council's [parking prices and times](#) is available on our website. Seven new parking zones have been introduced between June 2023 and November 2024, and more information about our [strategic parking review](#) can be found on our website.

Also please provide me with a list (or access to information showing) all increases in car parking charges introduced by the council in the following financial years 2022-23, 2023-24, 2024-25.

Please include information about council car parks, resident parking schemes and on-street parking in relation to the both requests above.

Please provide or sign-post location details.

Pay and display and permit prices are increased annually as part of the Council's budget setting process. We do not operate any off-street car parks.

For 2024/25, please see [Appendix 3](#).

For 2023/24, please see [Appendix 1](#).

For 2022/23, please see [Annex 4](#).

In addition, please list (or provide access to information showing) all proposed new parking charges and proposed increases in parking charges which have not yet been implemented.

The pay and display and permit prices are reviewed annually as part of the Council's budget setting process. We have not begun this process yet for the next financial year.
