

The number of empty homes in your local authority area:

Q1 - By the number of years they have been empty for, broken down by years

Years	Up to 1	1-2	2-3	3-4	4-5	5-6	6-7	7-8	8-9	9-10	10+	Total
Empty Homes	5,325	1,952	2,274	158	113	74	50	52	34	28	103	10,163

Q2 - Where 100% surcharge is applied to Council Tax account by the number of years empty, broken down by years

Years	Up to 1	1-2	2-3	3-4	4-5	5-6	6-7	7-8	8-9	9-10	10+	Total
100% surcharge	0	875	422	201	137	102	66	47	51	33	110	2,044

Note: The 100% surcharge starts from when a property was last occupied 1 year ago, therefore the entry for up to 1 year is zero, but this can increase to 2 years if the property is actively marketed for sale or let. The figures supplied assume the properties were last occupied 1 year before the double charge was imposed. This means some of the data will be understated by 1 year for properties that had been / are being actively marketed for sale or let.

Q3 - Where no council tax is being received for by the number of years they have been empty for, broken down by years
