Can you please furnish me with a list of hotels, travel lodges and hotel lodges that are housing migrants in the Edinburgh area.

Can you please furnish me with the figures of the number of men, women and children that are being housed in the aforementioned establishments.

Can you please furnish me with the nationalities of the aforementioned.

Where you ask for information about migrants, we have interpreted your request to refer to asylum seekers.

The housing of asylum seekers via the national scheme is the responsibility of the Home Office through their contractors. Therefore, unfortunately, we are unable to provide you with the information requested because it is not held by the Council.
