

## 56898 Newcraighall Primary School and Maybury Primary School Budget Information

I'd like to see budget information for the new Newcraighall Primary School and the new Maybury Primary School.

Ideally, a breakdown of the budget as agreed by councillors and the confirmed costs (for Maybury only).

The breakdown of the budget as set by Councillors for each project was £32,000,000. These allocations were made as part of the overall Learning Estate Capital Budget allocation and there is no further breakdown of budgets when Councillors set budgets annually.

The cost to date on Maybury Primary School is £31,323,271.12.
